APICS - The Association for Operations Management is the premier source of the body of knowledge in Operations Management, including production, inventory, supply chain, materials management, purchasing, and logistics. Since 1957, individuals and companies have relied on APICS for its superior training, certifications, and a worldwide network of accomplished industry professionals.

Since 1976, the Albany/Capital District Chapter has been serving the region, sponsoring monthly professional development meetings, featuring networking, guest speakers, and company tours. Additionally, the Chapter provides training for two internationally recognized certifications (**CPIM** - Certified in Production and Inventory Management, **CSCP** – Certified Supply Chain Professional) and the APICS body of knowledge.
